

AHARTT PEER NETWORKING

“I want to have someone that’s on my side”

“I want to have someone to talk to that has been through what I have”

If these statements sound like something you desire, maybe the
AHARTT Peer Networking is for you!

Peer Networking helps you achieve YOUR goals. AHARTT’s Peer Supporters are young men and women who have lived experience with substance use and related issues. They have been where you are and are privileged to be on the other side in recovery.

Peer Support helps you define and achieve goals made by YOU —not your parents, school or the courts.

We have monthly group parties with your fellow AHARTT members. We are there for you anytime you need to talk. Day or night, any hour, your peer supporter is a phone call away.

You are not alone.
